

Gespreksoverzicht CDR genereren whitelabel resellers

De facturen en verbruiksspecificaties worden op elke eerste dag van de maand automatisch gegenereerd, tenzij anders overeengekomen.

Ook is het mogelijk om de CDR's handmatig te genereren.
Log hiervoor in op de reseller portal.

The screenshot shows the ClearTalk reseller portal interface. The browser address bar displays <https://portal.business-isp.nl/reseller>. The page header includes the version "ClearTalk reseller portal ver. 3.0.70" and user information: "Login: 00000000000", "Session timeout: 8:51 s", "Balance: 1000.00 EUR", and "Clients limit: 500.00 EUR". Navigation links for "My profile", "My payments", and "My invoices" are present. A "Menu" sidebar on the left lists options: Retail clients, Account generation, Tariffs, Reports (highlighted), Clients reports, Invoices, Active calls, Failed calls, Payments, and Statistics. The main content area is titled "Search - [Tariff: telsec:verkoop, Date: Last month]". It contains several filter fields: "Client type" (dropdown: --all--), "Retail client" (text input), "Period" (dropdown: --none--), "Tariff" (dropdown: verkoop), "Date" (dropdown: Last month), "Tariff prefix" (text input), "Time shift" (dropdown: 0), "Profit" (dropdown: - and 0), "From" (date/time: 01-01-2012 00:00), and "To" (date/time: 01-02-2012 23:59). Checkboxes for "Client type", "Tariff", "Tariff prefix", "Tariff desc.", and "Route type" are on the right. "Apply filter" and "Restore default" buttons are at the bottom right. A table header is visible at the bottom with columns: Date, Called number, Tariff, Duration, Cost, Revenue, and Profit.

Klik op **Reports**

klik in het tabblad **Reports** rechts op het driehoek symbool om filter opties weer te geven.

Selecteer bij Tariff het **verkoop tarief**.

Selecteer bij **Date** de gewenste periode, bijvoorbeeld **Last Month**

Klik op **Apply**.

Klik op **export** om de CDR's te downloaden.

Hierna kan deze export binnen Excel geopend te worden en kunnen er indien wenselijk filters gezet.
